

A portrait of Craig Rigney, CEO of KKY Aboriginal Corporation, is the central focus. He is a middle-aged man with short, dark hair, wearing a blue textured blazer over a white shirt with a colorful floral and bird pattern. The background is a blurred image of people wearing traditional Indigenous Australian clothing, including a green and blue patterned garment.

**FOR GENDER  
EQUALITY**

**"For over 65,000 years, Aboriginal & Torres Strait Islander societies prospered with gender equality embedded in our cultural structures and belief systems. If gender equality sits within your belief system, it's up to you to take action to help restore the balance."**
