GOUGER STREET REVITALISATION PROJECT

NOTICE TO RESIDENTS & BUSINESSES

Early investigation works | Stormwater upgrade preparation and service locating
21 October 2026

Dear Resident / Business Owner,

As part of the early works for the Gouger Street Revitalisation project, preliminary service investigations will be undertaken along Gouger Street between Morphett Street and Victoria Square (King William Street). Using non-destructive potholing and vacuum excavation, crews will expose selected underground services and record their locations and depths. These important works will help verify the proposed stormwater design, identify potential service clashes and plan the work before construction begins in the new year.

WHEN AND WHERE

Commencing **Sunday 25 October,** works will be undertaken over 15-night shifts, between 8:00 pm and 6:00 am, Sunday to Thursday (subject to weather conditions and unforeseen technical issues). Works will occur concurrently across four areas to complete the investigations efficiently and minimise the overall duration of works.

25 October to 5 November 2026 | 10 nights	Northern side | Two progressive work sections between Morphett Street and Victoria Square
8-12 November 2026 | 5 nights	Southern side | Two progressive work sections between Morphett Street and Victoria Square

TRAFFIC, ACCESS AND TEMPORARY DISRUPTION

Road closures and detours: Temporary directional road closures will apply within the active work sections, with eastbound detours during northern-side works and westbound detours during southern-side works. Traffic controllers, signed detours and short-term side-street restrictions will be in place as needed. Gouger Street will remain open and accessible at all times.

Parking, loading and business access: On-street parking and loading restrictions and temporary footpath diversions may apply near the active work area. Safe pedestrian access to properties and businesses will be maintained via signed routes. The team will coordinate with affected businesses regarding deliveries, outdoor dining, loading and any temporary vehicle-access restrictions.

Night-work noise: Vacuum excavation trucks and associated equipment will generate noise. Activities will be sequenced to minimise impacts on residents and evening hospitality businesses wherever practicable.

Reinstatement: Each pothole will be backfilled, made safe and reinstated at the end of the shift.

We apologise for any inconvenience and thank you for your patience while these investigations are completed.

QUESTIONS OR CONCERNS

Gouger Street 街道改造项目

致居民和商户的通知

前期勘察作业丨雨水排水系统升级前期准备及地下管线探测

2026 年 10 月 21 日

尊敬的居民和商户：

为推进 Gouger Street 街道改造项目，施工团队将对 Gouger Street 从 Morphett Street 至 Victoria Square（King William Street）路段开展前期地下管线勘察。

施工人员将采用非破坏性探坑及真空开挖技术，对部分地下管线进行局部深挖，并记录其位置及埋深。这些前期勘察工作将有助于核实规划的雨水排水系统设计、识别地下管线之间可能存在的冲突，为计划的 2027 年初正式施工做好准备。

一、施工时间及范围

工程计划于 **2026 年 10 月 25 日（星期日）开始**，共安排 15 个夜间班次，施工时间为每晚 8 点至次日早上 6 点，施工日为星期日至星期四。具体安排可能因天气状况或不可预见的技术问题而有所调整。

为提高勘察效率并尽量缩短整体施工周期，施工团队将在四个区域同步开展作业。

2026 年 10 月 25 日至 11 月 5 日丨共 10 个夜间班次	北侧路段： 在 Morphett Street 至 Victoria Square 之间，分两个路段逐步开展施工。
2026 年 11 月 8 日至 12 日丨共 5 个夜间班次	南侧路段： 在 Morphett Street 至 Victoria Square 之间，分两个路段逐步开展施工。

二、交通、出入以及其他临时影响

道路封闭及车辆绕行

施工期间，将根据实际作业范围对相关路段实施临时单向交通封闭。北侧施工期间，东行车辆需按指示绕行；南侧施工期间，西行车辆需按指示绕行。施工现场将视需要安排交通指挥人员、设置绕行指示牌，并对部分侧街实施临时交通管制。Gouger Street 将始终保持开放，车辆及行人仍可通行。

停车、装卸及商户出入

施工区域附近的路边停车位及装卸区域可能受到临时限制，部分人行道也可能需要临时改道。施工团队将设置清晰的指引路线，确保行人能够安全进出周边物业和商家。

对于可能受到影响的商户，施工团队将提前协调，尽量妥善安排货物配送、户外用餐、装卸作业及临时车辆通行等事宜。

夜间施工噪声

真空开挖车辆及相关设备在作业过程中会产生噪声。施工团队将尽可能合理安排施工工序，以减少对周边居民及晚间餐饮等商户的影响。

施工结束后的现场恢复

每处探坑均将在当晚施工班次结束时完成回填，并做好现场安全处理及路面恢复工作。

对于施工期间可能造成的不便，我们深表歉意，并感谢您的理解与配合。

三、咨询及意见反馈

施工现场联系人 | 晚间（6 点至次日早上 6 点）

Nathan Rains | 现场经理

电话：0413 617 811

邮箱：Nathan.Rains@outsideideas.com.au

项目联系人 | 工作时间（上午 7 点至下午 5 点）

Peter Vrettis | 高级项目经理
