# YELLOW RECYCLING BIN

## WHICH BIN? THE YELLOW BIN

Rigid plastic  
containers

Glass bottles  
and jars

Tins, cans  
and aerosols

Aluminium foil

Paper and  
cardboard

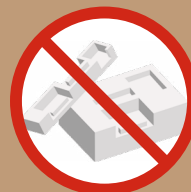

Cartons

Please place all recyclable items loose in the yellow bin  
- **NOT** in plastic bags. Soft plastics do not go in the  
yellow bin as they can damage the sorting machines.

## NEVER IN THE YELLOW BIN

**NO** soft  
plastics

**NO** polystyrene  
or foam

**NO** food or  
garden waste

**NO** broken  
glassware or  
crockery

**NO** shredded  
paper

**NO** batteries or  
electronics

For information about where, how and what you can  
recycle head to **WHICHBIN.SA.GOV.AU**

# RED WASTE BIN

## WHICH BIN? THE RED BIN

Soft plastics

Polystyrene  
and foam

Old clothing  
and rags

Single use  
nappies

Broken crockery  
and glassware

Ropes and  
hoses

## NEVER IN THE RED BIN

**NO** cooking or  
motor oil

**NO** liquid paint

**NO** tyres

No batteries or  
electronics

**NO** building  
rubble or dirt

**NO** chemicals  
or poisons

The above items are **banned** from your kerbside bin.  
For information about how to dispose of these items  
see the back page or go to **WHICHBIN.SA.GOV.AU**

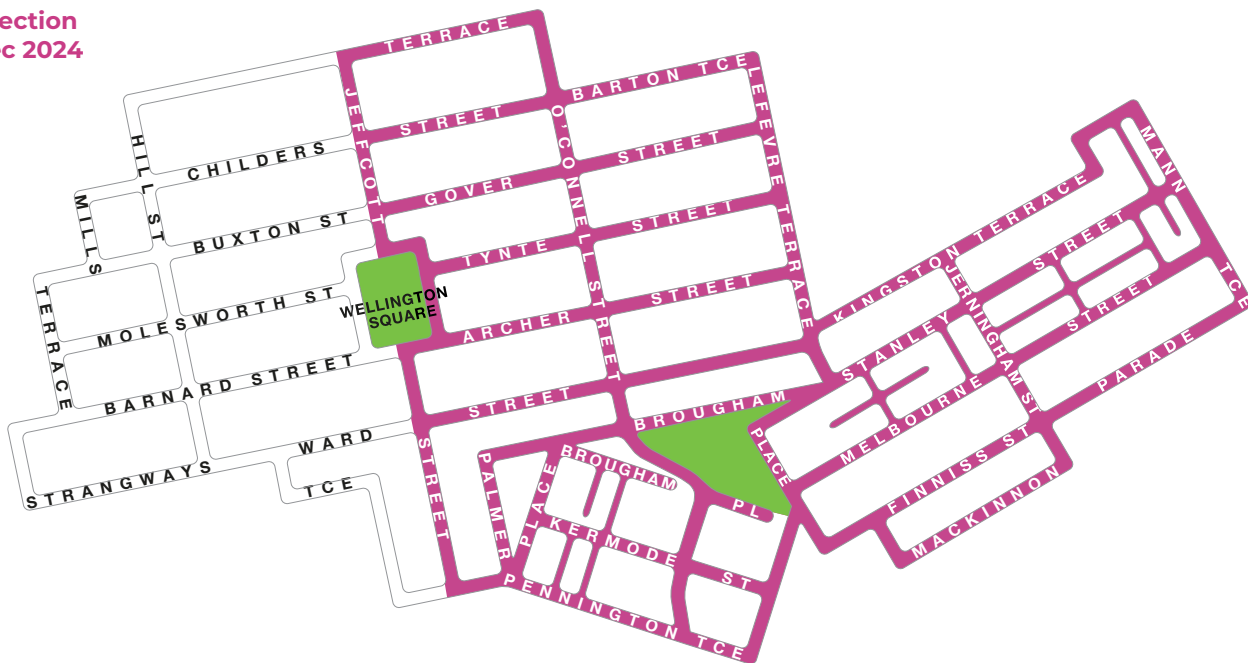

# NORTH ADELAIDE CARDBOARD COLLECTION FOR BUSINESS

A weekly kerbside cardboard collection is provided for businesses that generate small amounts of cardboard.

Cardboard recycling is collected **weekly** on **WEDNESDAY**

## PLEASE NOTE

No cardboard collection  
Wednesday 25 Dec 2024  
Christmas Day

# ADELAIDE CBD CARDBOARD COLLECTION FOR BUSINESS

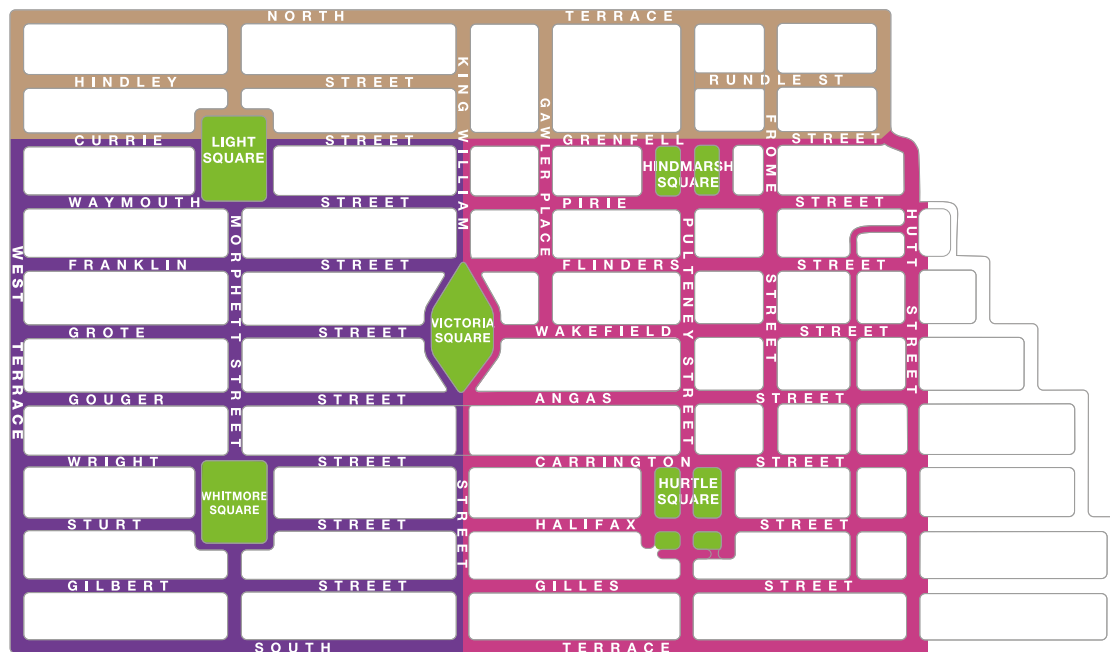

A weekly kerbside cardboard collection is provided for businesses that generate small amounts of cardboard. See map below to find out which day.

Cardboard recycling is collected **weekly** on **TUESDAY** **WEDNESDAY** **THURSDAY**

## PLEASE NOTE

No cardboard collection  
Wednesday 25 Dec 2024  
Christmas Day

# CARDBOARD COLLECTION FOR BUSINESS

## ACCEPTED

- Neatly stacked cardboard
- No more than 0.25m<sup>3</sup> (e.g. 1m x 0.5m x 0.5m)
- Wet cardboard
- Cardboard with staples or tape

## TO ENSURE YOUR CARDBOARD IS COLLECTED

- On designated collection day place cardboard on kerbside between 3pm - 6pm only\*
- Do not block pedestrian walkways\*
- Flatten and bundle cardboard, and tie with string or nylon, or place flattened cardboard into another cardboard box
- \*Non-compliance may result in expiation notices being issued.

## NOT ACCEPTED

- Wax boxes
- Soiled or greasy boxes
- Plastic or polystyrene
- Volumes larger than 0.25m<sup>3</sup>
- Do NOT leave messy, unstacked piles of cardboard

# BIN COLLECTION GUIDELINES - SMALL BUSINESS

Together, we want to reduce our waste and recover more resources.

That's why the City of Adelaide provides a regular kerbside service to businesses that generate small volumes of waste and recycling, similar to that generated by a residential premise. This service includes a yellow recycling bin, red waste bin, and cardboard collection.

For more details, visit:  
**[cityofadelaide.com.au/business-waste-recycling](https://cityofadelaide.com.au/business-waste-recycling)**

Bins are the property of the City of Adelaide and must be left at the property if you move.

## TO ENSURE YOUR BINS ARE COLLECTED

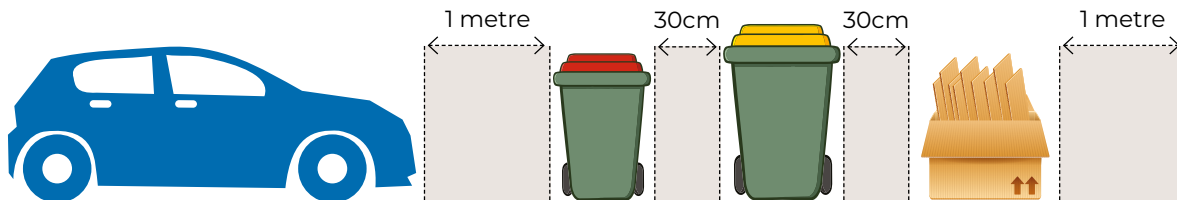

- Put your bins out before 6am on the day of collection and please retrieve them on the same day.
- Face your bins forward with the wheels towards the building.
- Keep your bin lid closed and do not overfill.
- Where practical, please keep 30cm between bins and 1m between bins and parked cars, trees, stobie poles and letter boxes.
- Ensure bins are kept clean.

Removal of the service may occur if bins are not presented to the kerbside in accordance with these guidelines.

## ENQUIRIES

Call the waste hotline 1800 777 844 to:

- request bin repairs or replacements
- report unemptied bins
- report lost or stolen bins.

## REDUCE YOUR WASTE

The City of Adelaide encourages all businesses to avoid unnecessary waste, as highlighted in the waste hierarchy right. Other helpful tips to reduce your waste include:

- Contacting your suppliers to discuss ways to reduce packaging material
- Donating or selling items
- Avoiding disposable goods or single-use materials.
- Buying products that can be recycled, repaired, refilled, or reused
- Transform leftover ingredients or materials into new menu items or products.

## DISPOSAL OF LIQUID WASTE

Petroleum products, fats, oils, greases or industrial solvents can not be disposed of down a drain, stormwater sewer, or on an outside ground surface. Contact a licensed liquid waste disposal company to dispose of liquid waste properly.

## CONSIDER A GREEN ORGANICS BIN SERVICE

Through a commercial waste provider, you can divert food scraps and compostable materials from landfill. The organic material is processed into nutrient rich compost and other products that improve our soils.

## COMMERCIAL HAZARDOUS WASTE

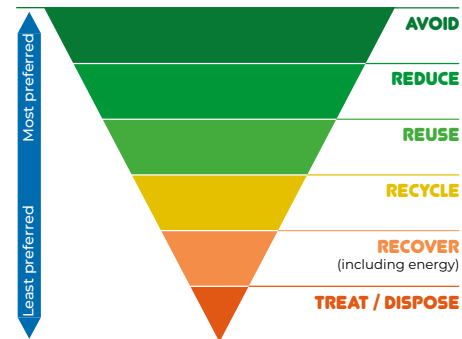

Hazardous commercial waste like pesticides, solvents, paints, etc. can be disposed of for a fee. Contact a commercial waste service provider for more information.

## ELECTRONIC WASTE (E-WASTE)

Contact a commercial waste provider to collect any not-fit-for-use products with a battery or a plug. These items, like a toaster or computer, are considered e-waste and cannot be placed in any kerbside bin.

You can find ways to responsibly dispose of items mentioned on this page by going to **[cityofadelaide.com.au/business-non-collectable-waste-items](http://cityofadelaide.com.au/business-non-collectable-waste-items)**
