

Gawler Place Upgrade

Supporting the Gawler Place Community and Businesses

Keeping the Gawler Place Community Informed

A dedicated Stakeholder and Community Engagement Team has been established with the sole purpose of keeping Gawler Place community (businesses, traders, tenants and owners) informed, hearing and responding to feedback, issues and ideas, and working with the construction team to see how feedback can be addressed where possible.

We will keep the Gawler Place Community informed by:

- › Providing regular, timely and advance notice of all new stages of construction, including location, type of works, duration and changes to access
- › Providing a regular newsletter outlining the progress of the project.

We can be contacted at:

- › Our dedicated 24 hour phone number:
1300 766 046.
- › Our dedicated email address:
feedback@gawlerplaceupgrade.com.au

We will respond by:

- › Replying to calls and emails as soon as possible
- › Considering your feedback where we can and working with you throughout the project.

Keeping Gawler Place open for Business

The Gawler Place Upgrade Team are working to communicate that Gawler Place is 'open for business' throughout the construction by:

- › Establishing signage on the street
- › Maintaining some visibility through construction fencing
- › Staging construction so that access is maintained to businesses
- › Promoting the upgrade broadly so that people are aware that Gawler Place remains open for business
- › Providing Gawler Place businesses with information you can share with your customers (eg emails, FAQs, flyers, social media posts, information to send out to customer/client databases)
- › Providing Gawler Place businesses with free marketing advice through the City of Adelaide Enterprise Adelaide Program
- › Wayfinding signage.
