Delivery & Installation

All installation and dismantling will be conducted by the City of Adelaide Public Realm Team.

Hirers are required to send their banners to the City of Adelaide Mile End Works Depot at 10 – 24 London Road, Mile End SA by the Wednesday prior to installation on the Sunday. Banners must be rolled prior to delivery; banners which are delivered flat packed will not be installed.

Banners must be collected from the CoA Mile End Works Depot by the Friday following removal. Banners not collected after this time may be disposed of. If arranging a courier to collect, please ensure they are aware of exactly what they are collecting (Event name).

City of Adelaide will make every endeavour to install banners on the date confirmed to the hirer: however, installation can also be dependent on traffic, weather conditions and other external factors.

Flag & Banner Application Info

Should construction or maintenance work be undertaken to the banner poles and render them unavailable, City of Adelaide will contact the hirer to agree on alternate sites if available or shortened length of duration if possible. We will not refund costs should sites be rendered unavailable after installation.

City of Adelaide does not take responsibility for lost, stolen or damaged banners.

Invoicing and Cancellation

Hirers will be invoiced for banner sites at the end of the booking period after banners are removed from display.

Hirers must give the City of Adelaide at least 4 weeks' notice of any cancellation in writing. A cancellation fee of 50% of the agreed booking request will be incurred if this does not occur.
