

New works commencing

With the work zones adjacent Gawler Chambers, UPark, Parc Arcade, Officeworks and Priceline soon to be completed, new stages of work will commence in Gawler Place North and South.

Refer attached maps for details.

When

Week beginning **22 April 2019**.

Works

Stormwater and common service trenching, removing the existing road and footpath, and construction of the new road and footpath pavements.

Vehicle and pedestrian access

Gawler Place South

One lane is shared by vehicles traveling in both directions with a traffic controller in place to assist.

Gawler Place North

Traffic in and out of Gawler Place will travel either side of the work zone. After business hours, traffic will be reduced to one lane with traffic management in place.

Loading zones and accessible parks

Relocated as shown on the attached maps.

Footpaths

Footpath access in work areas will be maintained during business hours. After business hours these footpaths will be closed for construction.

Waste collection

All bins and cardboard to be placed on the eastern side of Gawler Place South and North for collection.

Please advise your waste collection companies to continue collections as usual.

Gawler UPark

Access in and out of UPark will be maintained. Please allow extra time to enter and exit UPark.

Laneway and building access

Where work will restrict access in and out of buildings, laneways or driveways, advance notice will be provided to those affected.

Business support

Gawler Place traders can promote their business on Rundle Mall during the Project through activations, promotions, flyer drops and other opportunities. Contact Rundle Mall Management Authority at events@rundlemall.com or on 8203 7200.

Connect with City of Adelaide's business advisors at enterpriseadelaide@cityofadelaide.com.au or on 8203 7001 to receive free and confidential business advice. And subscribe to the City Business newsletter to be kept informed of the latest workshops and resources for businesses at cityofadelaide.com.au/city-business.

Staying in touch

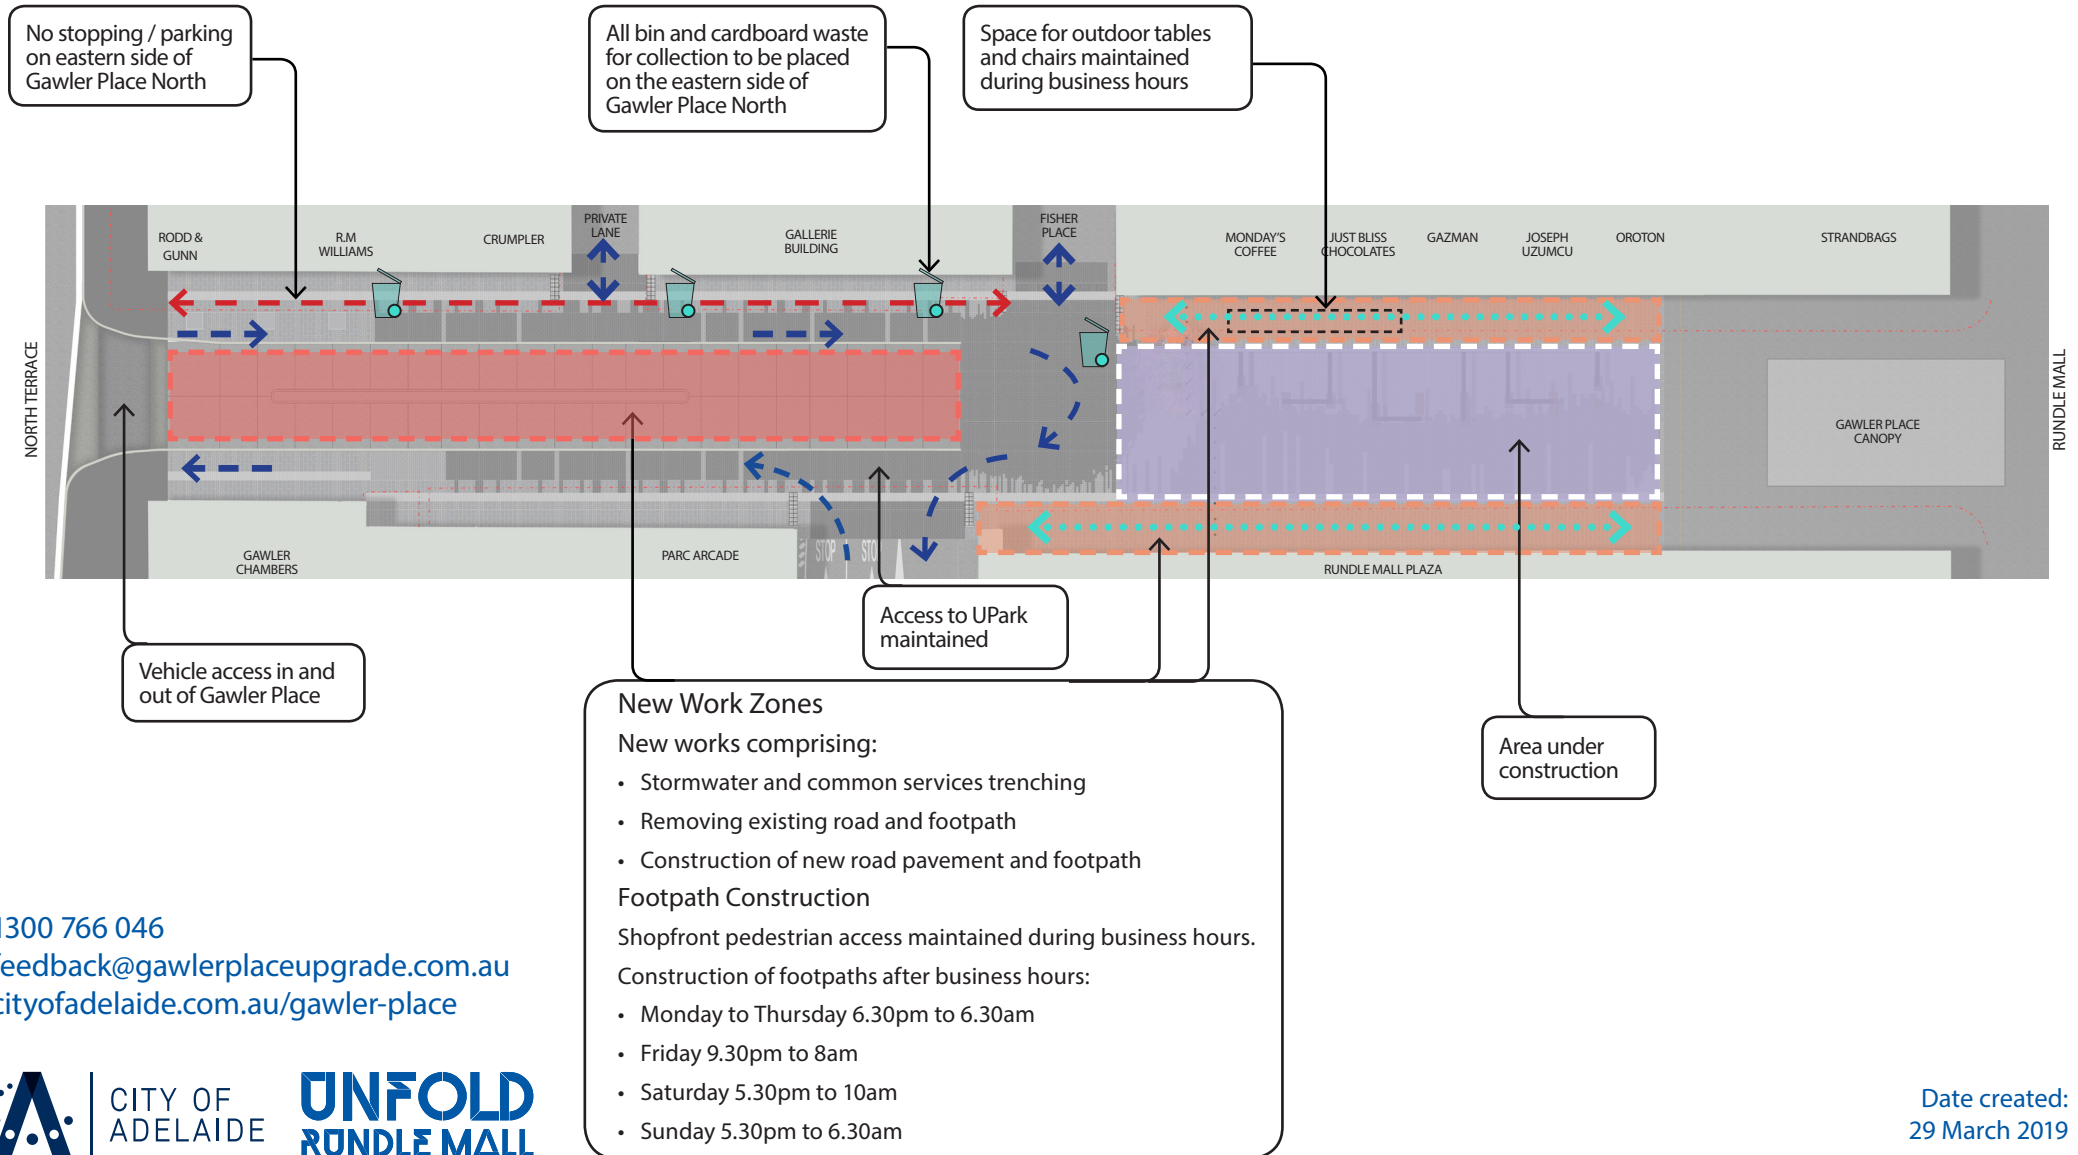

Stay up to date at the project website or get in touch with us using the contact details at the bottom of this page.

Receive communications from us via email instead of post. Please email us your name, business name, address, phone number and email address.

Thank you for your patience while these important works are undertaken.
