

New works commencing

New works will soon be commencing in both Gawler Place South and Gawler Place North. **Refer attached maps for details.**

When and where

Gawler Place South

Week beginning 10 June for the road and footpath works between Rundle Mall and Featherstone Place.

Gawler Place North

Week beginning 17 June for the road and footpath works on the eastern side of Gawler Place between North Terrace and Fisher Place.

These works will happen in conjunction with other works underway as show in the attached maps.

Rescheduling of works is sometimes required due to unforeseeable circumstances such as wet weather and underground impacts.

Works

Removing the existing road and footpath, construction of the new road and footpath pavements, as well as paving.

Vehicle and pedestrian access

Gawler Place North

One lane of traffic in and one lane of traffic out of Gawler Place North.

Gawler Place South

One lane is shared by vehicles traveling in both directions with traffic management in place.

Loading zones and accessible parks

Relocated as shown on the attached map.

Footpaths

Footpath access in work areas will be maintained during business hours. After business hours these footpaths will be closed for construction. Please exit premises prior to night works commencing or use an alternative exit.

Where footpaths are being constructed on both sides of a work zone, only one footpath will be closed at any one time to maintain pedestrian access to and from Rundle Mall.

Waste collection

All bins and cardboard to be placed on the eastern side of Gawler Place South and on the western side of Gawler Place North.

Please advise your waste collection companies to continue collections as usual.

Laneway access

Brief closures will be required to Featherstone Place at selected times during the works. Advance notice will be provided to those affected.
