## Legend

-  Tee Pads
-  Buildings
-  Basket
-  Water
-  Trees
-  Hazards/Out of Bounds
-  Mandatory
-  Roads/Paths
-  Fences

## Disc Golf Rules

### 1. Teeing off

Begin each hole with a throw from the tee. The winner of previous hole throws first.

### 2. Fairway play

Fairway throws are from behind the lie of your disc. Furthest from pin throws first.

### 3. Putting

When putting from inside 10m of the basket, players are required to remain behind the lie of the disc until thrown disc comes to a rest.

### 4. Completion of a hole

The hole is complete when the disc comes to rest inside the chains or basket. Landing on top of basket does not count.

### 5. Out of bounds

Your disc is considered out of bounds if the entire disc is surrounded by OB. Add 1 stroke penalty and play from where your disc went out of bounds. 1m relief inbounds and perpendicular to the OB line is allowed. You may also take a 1m relief if your disc is on the OB line.

### 6. Trees

A disc that lands in a tree is played from directly below with no penalty.

### 7. Mandatories

Mandatories are marked with an arrow which requires you to play to the left or right of an object. Failure to make the mandatory is a 1 stroke penalty and your next throw is from the Mandatory sign.

## Safety

1. Always give other park users the right of way.
2. Do not throw your disc until the group ahead is clear.
3. Ensure the path is clear before throwing.
4. Take all rubbish with you or place in bins provided.
5. Respect the natural flora and fauna.

Hole	1	2	3	4	5	6	7	8	9	Total
Length (m)	82	78	79	103	155	103	86	79	65	830
Par	3	3	3	3	4	3	3	3	3	28
