**NORTH TERRACE: KING WILLIAM STREET to GAWLER PLACE  
Service Identification Works – February 2019**

This letter is to inform you of our planned service identification works occurring on North Terrace between King William Street and Gawler Place.

**Works commencing:**

Service identification works will be carried out by our appointed contractor VACGroup commencing **Sunday 3 February 2019** and be complete by **Thursday 8 February 2019** subject to weather and with consideration of the needs of businesses and traders.

**What's involved?**

The works will involve the trenching at regular intervals along the footpath between King William Street and Gawler Place, from which we will be able to identify below ground services and then immediately replace the original footpath and road.

All works will

- involve some traffic and pedestrian management
- be carried out during the evening hours (approx. 8pm to 5am)
- be reinstated before the commencement of business the next day so as to minimise interruption and inconvenience of your business and customers.

**Next steps and more information:**

Our findings will be used to inform and finalise our planned upgrade to the North Terrace boulevard, which we look forward to discussing with you in the coming months.

Information about the project can be found at ([www.cityofadelaide.com.au/projects](http://www.cityofadelaide.com.au/projects)) which will continue to be updated as we progress.

In the meantime if you have any questions, please do not hesitate to contact our Customer Centre: Ph 8203 7203 or email [mail@cityofadelaide.com.au](mailto:mail@cityofadelaide.com.au)

Yours sincerely

Benjamin Hall
