5. Can I hold multiple bookings while I make up my mind on where I want my event?

Council is aware that there are occasions when an event organiser puts a hold on multiple Adelaide Park Land sites whilst they confirm their final plans. Local Government is one of three spheres of government in Australia, namely Local, State and Commonwealth. Local Government councils have considerable discretion in exercising their powers and responsibilities, and in planning for the specific and diverse needs of their local communities. The City of Adelaide has a vision for Adelaide to be a welcoming and dynamic city full of rich and diverse experiences. To realise this vision, the council has developed the City of Adelaide 2016-2020 Strategic Plan framed around four key themes: Smart, Green, Liveable and Creative. These broad themes underpins the priorities, policies, strategies, projects and services that will be designed and delivered to meet the needs of the community.
