This Easy Read plan is a summary of another document.

This plan has some hard words.

The first time we write the hard word:

• The word is in blue.

• We will write what the hard word means.
This plan is about the City of Adelaide.

The City of Adelaide is the **government** group that looks after the city.

**Government** is a group of people chosen to make decisions for the community.

This plan is to make the city a good place for everybody.

This plan will happen between 2020 and 2024.
The plan was made by lots of different people:

- People who work for the City of Adelaide.
- People in the community.

The City of Adelaide will make the plan happen.
This plan has four goals.

**Goal one**

To make this goal happen we will make sure everyone can use:

- parks
- footpaths
- roads
- help everyone join in activities
- help people that do not have homes
Goal two

We will:

• make it easier for people to run a **business**

A **business** is a place where you pay for something.

• bring more people into the city

• make our streets nice.
Goal three

We will:

• make better parks and playspaces.

• look after our old buildings

• make art and music in the city that everyone can enjoy
Goal four

We will:

• make less pollution

Pollution is something bad for the Earth like fumes from a car.

• plant more trees

• help other people to make less pollution
