Lost or Stolen Bins

- To request a replacement bin, telephone Council on 8203 7203.
- Replacement of lost or stolen bins requires a statutory declaration or Police report number.
- Waste and recycling bins are the property of City of Adelaide and must be left at the property if you move.

Food Waste – in Your Organics Bin

- All your unused food and food scraps can be placed in the organics (**lime green lid**) bin together with garden organic waste.
- Most things that once grew can be put in your organics bin for composting unless you already compost at home. Contents of organics bins are collected and turned into compost.
- New residents can visit our Customer Service Centre (25 Pirie Street) or any of City of Adelaide's Community Centres to pick-up a free kitchen organics caddy and compostable liner bags to assist you separate and store food waste in your home.

Bin Size Options

Residents who find the 240 litre recycling (yellow lid) or 240 litre organics (lime green lid) bins not suitable for their needs, can downsize to a 140 litre bin (same size as the waste bin). Contact Council on 8203 7203 to order a smaller bin to replace your larger bins.

Upsize Bin – for Residents

If you are a resident and currently have a Council waste and recycling collection service, you may be eligible for:

- An additional 240 litre organics bin.
- A larger 240 litre waste bin.
The new Upsize Bin will replace your existing bin.
- A larger 360 litre recycling bin.
The new Upsize Bin will replace your existing bin.
