

## FORMER GOLDSBROUGH MORT WAREHOUSE

9-19 Light Square

C 1982 (CD Ref 3982/52)

owned by Goldsbrough Mort and Company. This and subsequent changes of ownership exemplified the rationalisation of the many stock and station agencies which has taken place this century.

C 1991 (CD Ref 3982/51)

C 1991 (CD Ref 3982/49)

The architectural merit of this building lied primarily in its solid utilitarian construction, and the use of materials which link it with other notable brick buildings in the north and west of the Square. The building is well constructed, and is notable for the repetitive arches which distinguish it from its neighbours.

Environmentally this building is a prominent feature of Light Square which helps to define its north-west corner.

Exterior alterations appear to be minimal and the building appears to be sound and in good repair.
